Dear Friends of Clarkston Village Players,

As we begin our 62<sup>st</sup> season at our beloved Depot Theatre, we hope you will find this year's line-up to be both fun and entertaining.

As usual, we are offering other non-profit groups the opportunity to use one of our performance evenings as a fundraiser. By selling tickets to your group members, spouses, and guests, and providing refreshments before the show and at intermission, you will be giving your members a chance to support your organization with an evening of fun and socializing.

The cost to you for this benefit performance is \$300.00. You will be able to sell tickets to the show, do a raffle, charge for refreshments if you would like – the choice is yours. We do ask that you sell the tickets for a minimum of our current ticket price of \$17.00 per. We also ask that you fill at least 66% of the house in ticket sales – a minimum of 40 tickets.

If you had a benefit with us in the past, you have another opportunity to see fantastic theatre while raising funds for your group. If you are new to this opportunity, welcome! This is a great way to fundraise and have a very entertaining event.

Attached you will find a list of available shows and dates to choose from. Please follow the instructions on the form you will be returning to us. Please number your choices 1, 2, and 3. **DO NOT SEND MONEY AT THIS TIME.** In order to be fair to all, and per established policy, I will reserve the date for your evening based on when I receive the return forms. Postmarks are my guidelines and I will try my best to give you your first choice. I will contact you when I receive your form to confirm your selection and date. Please plan to pay for your benefit performance when you get the official contract to be signed and returned to me.

Should you have any questions or concerns, please contact me at 248-459-0870 or email me at [linda.mishler@yahoo.com](mailto:linda.mishler@yahoo.com).

Thank you and I look forward to hearing from you.

Best regards,

Linda Mishler, Treasurer
